Certificate program

Languages: English and Russian

Scholarship possible: 10% on each semester's tuition for your Degree or Diploma program

Students' life

- Synergy provides quality education, comfortable accommodation, and a multicultural student life.
- Indian students in Russia can enjoy Indian food at various cafeterias and restaurants.
- We prioritize holistic student development with a range of co-curricular activities, sports complexes, education clubs, and excursions.
- Russia's diverse international student population fosters a multicultural environment for students to learn and interact with each other.

Benefits for the Moscow students

- Moscow offers a social card for students with discounted travel, free cultural visits, CHI policy, and shopping discounts.
- Synergy has a support team for student events and accommodation.
- Over 50 Indian cultural events in Moscow per year.
- Free airport pick-up, 24/7 support, daily sports and entertainment events, volunteer center, and FIFA/Olympic-level events.

Synergy University provides comprehensive support to students from pre-admission to post-graduation.

- We offer free guidance sessions, handle the application process, provide expert assistance with immigration papers, academic records, and student documents.
- We also help you find suitable accommodation and provide guided tours of our facilities. *Join the Synergy family today!*

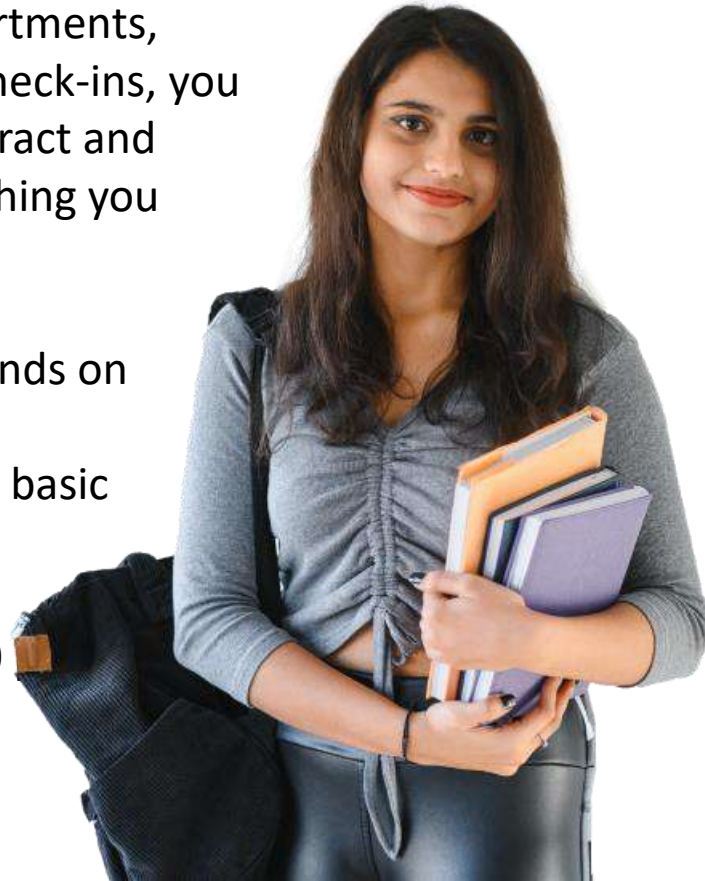

Accommodation & Cost of Living

Our hostels offer convenient and secure accommodation near universities and metro stations. They are an affordable alternative to expensive hotels and rented apartments, without compromising on comfort. With fast check-ins, you can move in on the same day you sign the contract and enjoy a comfortable stay equipped with everything you need.

The cost of living in Moscow as a student depends on personal lifestyle choices and activities in which a student engages. On average, students basic expenses vary **between 15,000 and 20,000 INR per month.**

Average monthly expenses in USD: \$250 - \$550
